Chapter 2 — Attendance Policy

Minimum Attendance Requirement

Students must maintain a minimum of 75% attendance in each course to be eligible to appear in end-semester examinations. Attendance is calculated separately for lectures, tutorials, and laboratory sessions.

Consequences of Low Attendance

Below 75%: Debarred from appearing in end-semester examinations for that course.
Below 60%: Automatic 'F' grade in the course; must repeat the course in the next academic year.
Students debarred from examinations will have 'AB' (Absent/Debarred) marked on their grade sheet.

Medical & Exceptional Leave

Students may apply for attendance condonation of up to 10% for genuine medical reasons with a certified medical certificate from a registered physician. The application must be submitted within 5 working days of rejoining.
Sports, cultural, and university-deputed activities are granted special attendance by the Academic Dean upon prior approval.

Attendance Monitoring

Attendance is recorded digitally via the GU Student Portal (gusportal.edu). Students can view their attendance dashboard in real time. SMS alerts are sent to students and parents when attendance falls below 80%.

Leave of Absence

Students requiring extended leave (>2 weeks) must apply to the Registrar's office. Approved leave does not waive the minimum attendance requirement but qualifies for pro-rated condonation consideration by the Academic Committee.

Chapter 3 — Examination Policy

Examination Structure

Each course is evaluated through:
• Mid-Semester Examination (MSE) — 30 marks
• End-Semester Examination (ESE) — 50 marks
• Continuous Internal Assessment (CIA) — 20 marks

Grading Scale

O (Outstanding) — 90–100 → 10 grade points
A+ (Excellent) — 80–89 → 9 grade points
